## Is a Couple Having Sex in Front of Their Kids to Teach Them Where Babies Come From?

Young children -- babies and preschoolers included -- may not understand all the words or meaning, but they'll feel the rhythms, get curious about what the sounds mean and perhaps want to create their own.

## Rose, where did you get that red? Teaching great poetry to children : Koch, Kenneth, 1925

Thank You for showing us in big ways and in small ways that You are powerful. .

## Hitler Youth and the Indoctrination of German Children

Thirteen Ways of Looking at a Blackbird by Wallace Stevens 7. Merrily, merrily, merrily, merrily, Life is but a dream. Many of your pupils will not have been in school for six months and will have a significant readjustment to make into school life.

## Book Reviews, Sites, Romance, Fantasy, Fiction

Wish I had time to reread it in more depth, though. Reason 5: Poetry builds resilience in kids and adults; it fosters Social and Emotional Learning. It's far too simple for students and teachers! Because poems defy rules, poetry can be made accessible for ELLs -- poems can be easily scaffolded and students can find ways of expressing their voices while being limited in their vocabulary.
