Someone must have moved it! Reverend John did not stay long in Ireland, however. Electoral Rolls and directories is a popular family history subscription database freely accessible onsite in most New Zealand libraries, it has and , although some years are only browseable, not searchable. After much digging, I have found that he was in fact the great grandson.

The fact that these were carved in stone in temples lends to the idea that the stairs are made of stone, although they are of wood.

## Nicole Scherzinger sunbathes topless during relaxing Malibu beach day

New Zealand Archway is the online catalogue to New Zealand Government Archives. If you get no results it may be because the record information is not detailed enough.
