## Piccolo

In short, it allowed the instrument to play melody. For the classifications of instr.

## Lexica

Software isn't just used for performance either.

## Piccolo e forte! A

The rather crude drawings were intentional; perspective, foreshortening, and shading were treated only briefly at the very end. The aulos was often played in ensemble with lyres and harps.

## Musical Instruments

Writing a symphony is perhaps the most ambitious task a composer can undertake.

## Old Children's Books

The Roman writer Varro said the same thing about the tibia as the Greek philosophers did about the aulos: its tones were complex, and could have an ecstatic affect on the soul. The company was formed in 2003 by the merger of United Musical Instruments Holdings, Inc.
