You are the thinker, not the thought.

Awakening Our Self

Manifesting Superior Performance If you are meditating for performance it is important that you map out every element of what a perfect performance looks like before you sit down. Instead of mindlessly taking until resources run dry, we must implement sustainable solutions that honor and preserve Earth, and are not harmful to human, animal or plant life.

Spiritual Awakening: My Strange Story Of How I Was Shaken 'Awake'

This is due to the fact that below the speed of light energies have something that is called the gravitational pull, that makes energies attract each other so that they stick to each other. When we wake up from a dream, we say that it was not real. Innovation and openness to new approaches are key to Whole Systems Healing.

Energy Medicine

Practicing Reiki is very different because it helps the system restore balance and self-heal.
