## Italian Recipes

The Brits have funny teeth, the French have berets and baguettes, and the Dutch have their penchant for short-sleeved shirts and pulled-up white socks. Pair a patterned one with collared shirt and whimsical earrings.

## A Guide To: Men's Italian Style

Avoid routines from abroad—Despite having these three basics, you still risk being taken as a tourist if you cling to certain routines from home.

## 12 Style Lessons We Can Learn from the Italians

This would last several days, covered, in the refrigerator. An open concept gourmet kitchen opens to a dining area. If you think of your trunks in the same way as you do your boxer shorts a boring everyday essential which no one is ever likely to see , you're going to look terrible on the beach.

## How To Dress Like An Italian

Italy also is very influential in car design, and has produced some of the greatest of the century. But, Italian women tend to be proud of being womanly. Instead, look for pieces which will transcend seasons, in natural materials such as silk, linen, cotton and cashmere.

## 12 Style Lessons We Can Learn from the Italians

They used their sheep's cheese and a bit of the water that cooked the pasta to create a cream, then added black pepper to give it some extra flavor. I am thinking of a tie over a jumper, a watch over a shirt cuff or even sporting a tie pin, boutonnière and pocket square all at once.

## Italian design

Other Italian accessory and jewelry brands, such as are amongst the most important in the world.

## **Cinema Italian Style**

She used her fame to speak out for women's rights and in 2000 was named the UNESCO Goodwill Ambassador for the Defense of Women's Rights. But looking stylish like the Italians is not just about special occasions, how much money you spend, or the latest trends.
