The Complete English Poems

George Herbert combined the intellectual and the spiritual, the humble and the divine, to create some of the most moving devotional poetry in the English language. The hardest group of poems here are the occasional ones in particular, the Verse Letters and the Epicedes and Obsequies not simply because Donne's poems are never less than challenging, and the degree of challenge represented by the whole corpus of his English poems that this book contains ranges from the relatively manageable to the almost insurmountable. Num Pages: 688 pages, index.

He is foreshadowing in some way the ending and at the same time he is referring to Biblical passages, for example, by blowing he could be talking about the way the Father used to make Adam alive. George Herbert, remembered as one of the greatest of the Metaphysical poets, was born on April 3, 1593 in Montgomery, Wales.

The Complete English Poems by George Herbert

Sweet Spring, full of sweet Days and Roses, A box wherein sweets compacted lie My Music shows Ye have your Closes, And all must die. I foresee that poverty and obscurity probably await me.

17 Rhyming Poems

Yet it is only this century that Donne has been indisputably established as a great poet—and even, many feel, the greatest love poet of them all.
