Bicycle Thieves

The bilingual characters are of the older generation, who were already adults during the ; in later parts of the book, with the focus shifting to the family's younger generation against the background of Germany moving towards unification and assertion of its new role as a major European power, the use of French by the characters visibly diminishes. Release date: February 1, 2021.

Mann criticizes with irony and detachment. Mann's emotional description of the Frau Consul's death has been noted as a significant literary treatment of death and the subject's self-awareness of the death process. As the men and women passed the basketball back and forth, a man in a gorilla suit strolled into their midst, paused to face the camera for a moment and strolled off camera.
