**Dunant's dream : war, Switzerland, and the history of the Red Cross (Book, 1999) [metrics.learnindialearn.in]**

Most riveting are Moorehead's stories of the quiet heroism of individual Red Cross volunteersnurses, surgeons, stretcher-bearers, ambulance driverswho have struggled at enormous personal risk to bring relief to soldiers, refugees, orphans, political prisoners, victims of natural disasters to all who recognize the Red Cross as a symbol of hope. I am also a nurse and also a Red Cross nursing volunteer, although I have never worked full time for the organization , and a former officer in the Navy Nurse Corps.

**Nonfiction Book Review: Dunant's Dream: War, Switzerland, and the History of the Red Cross by Caroline Moorehead, Author Carroll & Graf Publishers \$38 (816p) ISBN 978**

It is controlled by Calvinist, French speaking Swiss who recruit their leaders from among the leading families of Geneva. More shocking were the survivors, left unattended on the bloody battlefield, many of them severely wounded and near death. Sobre o Autor Caroline Moorehead is a biographer, book reviewer, writer and broadcaster on human rights.

**Dunant's Dream War Switzerland and History of Red Cross by Caroline for sale online**

I strongly recommend 'Dunant's Dream' to those who are interested in history and humanitarianism, and to those who want to do something grand with their lives.

**Dunant's Dream: War, Switzerland, and the History of the Red Cross by Caroline Moorehead**

I just wish it had been edited down to a more manageable length.

## **9781422352526: Dunants Dream: War, Switzerland and the History of the Red Cross**

I currently work in a human rights organization.

### **Dunant's Dream: War, Switzerland and the History of the Red Cross: Moorehead, Caroline: 9780786706099: metrics.learnindialearn.in: Books**

Her resulting book engrossingly recounts the Red Cross's full history and the moral dilemmas it has faced from the two World Wars to the post-Cold War conflicts of Somalia, Chechnya, and Bosnia.

#### **Dunant's Dream: War, Switzerland, and the History of the Red Cross by Caroline Moorehead**

Realizing that, although modern warfare meant more, and worse, wounded, medical treatment for the first time could save significant numbers of them, he began a crusade leading to 137 national societies and 250 million members today. Her research is scholarly, her documentation is meticulous, her compassion and her critical abilities are always evident. A horror to squint at.
