## Arxiu Parroquial de Santa Maria del Pi

The major problem for these networks is that very few of them have managed to stay in operation over long periods of time. Assuming a constant degree of monopoly power in the industry, changes in multi-factor productivity are estimated. Internasional het die integrasie van telekommunikasie, rekenarmering en publisiteit industrieë die manier van organisasie van wêreld ekonomiese en die samelewing verander.

## ACTIVITATS DEL CLUB

This paper argues that consumer welfare will be maximised only by dismantling the statutory monopoly structure and moving toward a highly competitive, privately owned telecommunications industry. While the availability at V band improves via this technique, it does not improve enough to compare favourably with that found in the lower frequency bands. The overall stormwater quality excluding the noxious industrial baseflow was found acceptable for artificial recharge within the study area, although the baseflow from the industrial sub-catchments showed the potential for being a major source of pollution in the future.

## Arxiu parroquial

Els documents més antics són una sèrie de, aproximadament, 2000 pergamins de caràcter notarial, però la documentació sacramental, econòmica i administrativa abasta un període de 900 anys que arriba als nostres dies. Soler, Barcelona: Edicions UB; Editorial Barcino, 2021. The underlying motivation is the conventional identification problem.

## L'Hospital de la Santa Creu 1401

Resumen The Land Mobile Satellite System LMSS to be available in the 1990 time frame will provide connection between mobile vehicles and the conventional terrestrial communication network.
