In their view, the real problem with the use of the term jugun-ianfu in school textbooks is not that it was not officially used in wartime since the term became commonplace in recent years. While Yoshimi acknowledges the possibility of a postmodernist examination of testimonies as contemporary discursive practices, he insists that the current controversy over the comfort women issue is principally over the historical facts. A childhood friend and classmate of Hinata's, he is her first crush.

First, we should understand that oral testimony is an important and unique source of information, one that is particularly important if we are to gain access to the experience of victims, but that it is only one of many types of sources that historians and educators should consult. Postmodern debates can help to sensitize students and the public to become informed listeners and readers of testimonies and to effectively engage the controversies surrounding them. Later she graduates from middle school, enrolls at the same high school where Rei studies and starts dating him.
