Indeed, as Bell insists, traditional Christianity does not support war for national self-interest or even self-defense or vengeance against the enemy. I think, too, for the most part, the book was fair -- as far as it went. Bell was Assistant Professor and Chair of the Department of Philosophy and Religion at Monmouth College in Monmouth, IL.

Although it is imperative that contemporary Christians listen with a spirit of generosity to our mothers and fathers in the faith, there may be times when, precisely because of our boundedness to Christ and with respect for the faith of our predecessors, we will be led to reject rather than retrieve a particular trajectory of thought taken in the past. In order to wisely judge the morality or immorality of the current U.
