### Richard Meier, Douglas House

His image and title have been restored on the firm's website.

### Richard Meier Architecture

From 1963 to 1973 he taught at Cooper Union in New York and was a visiting critic at a number of other institutions. It flows seamlessly into a solid north volume containing the core services of the residences.

### Richard Meier & Partners Architects

For a period of time he shared a studio with his close friend Frank Stella. The announcement comes after an extensive renovation to the property was completed in 2011, and will grant the home the legal status to help ensure the building is maintained for generations to come.

### Jerome & Carolyn Meier House / Richard Meier

He has written and been the subject of many books and monographs and innumerable newspaper and magazine articles.

### Richard Meier Architect

Schwendi, Germany, is home to the Weishaupt Forum, an industrial complex designed for its namesake HVAC company completed in 1993. During all this time, he gained a broad and diverse knowledge of many subjects which he now brings to bear in his fire and explosion work.

### Richard Meier & Partners Architects

He became known for his abstract designs and his heavy use of the color white. He has been awarded major commissions in the United States and Europe including courthouses, city halls, museums, corporate headquarters, housing and private residences. The tour de force of Meier's work of the 1970s was the Atheneum 1975-1979 at New Harmony, Indiana.
