## F. A. Paley

And while the dragon was asleep, the ARGONAUTS took the Golden Fleece, and having come to the ship, they sailed away by night in a hurry. Levin, Hunter, Campbell , yet to my knowledge has received no concentrated attention.

## F. A. Paley

The Argonautika, written in this city of ambiguities and questions, used myth and the imagination to explore issues of cultural identity that must have been urgently important to its contemporary readers.

## Category:1880 in Iceland

I begin my paper by demonstrating that within this linear and episodic whole Apollonius includes a number of fragmented stories, including myths about the Argo, Phrixus and Helle, and Ariadne.

## Category:1880 in Norway

Even the Egyptians thought their Osiris was under the malign influence of the demon Typho. Jason rose to the challenge, building his ship, the Argo, and assembling a crew: the Argonauts.

## William G. Thalmann: Argonautika, Spatial Epic

. Handcrafted using traditional tools, the 36-foot 11 m, two-masted boat was built of Irish and , hand-lashed together with nearly two miles 3 km of leather thong, wrapped with 49 traditionally tanned ox hides, and sealed with wool grease.
