## The New International History of the Cold War: Three (Possible) Paradigms on JSTOR

That the Soviets held back and restricted East German people so that the country became reliant on Soviet financial handouts and was not the socialist miracle that the GDR maintained. The Soviet Union, in contrast, had Stalin, its unchallenged ruler since 1929, the man who remade his country and then led it to victory in World War II. Gaddis begins and ends his book with a discussion of the nature of war, as part of his eventual argument that the Cold War changed that nature forever.

## New Cold War History

Further, the ethical failings of Nixon should not cloud the fact that both he and the system he represented were ethically superior to Brezhnev, Mao, and their totalitarian and murderous systems.

## New Cold War History

We educate those who make and influence policy, as well as the public at large, through the lens of history, geography, and culture.

## The New Cold War History

Additionally, the author covers all the major themes even if sometimes there are things you would like to know more about. That said, if you are new to studying this era you will find a good overview here.

## Review of "The Cold War: A New History" by John Lewis Gaddis

France unnerved the US with its going alone stance and China continuously attacked the USSR and claimed it was not a truly socialist country.

## Review of "The Cold War: A New History" by John Lewis Gaddis

Why did the Soviet authorities try to break up spontaneous pro-American demonstrations that erupted in Moscow following the official announcement of the German capitulation? Kennan and the Origins of Containment, 1944-1946, a collection of letters between Lukacs and his

close friend George F.
