If this is ever untrue, then a bug exists in the language or tool we are using. Ebony: you went to that restaurant to observe something, and although you obviously were being treated unfriendly, it sounds like you have had at least an opportunity to lead a conversation with the guy. The error is owed in part to an imbalance in the set of images used to train the system, a circumstance which Google and other technology companies should seek to rectify.

Liberty

After all, it is possible that this power will be used very sparingly -- although what evidence there is on this score provides little reason for optimism. Ivory, frankly, you took this thing way to personally.
