## A Weekend in Highlands, North Carolina: Where to Stay, Eat, Shop, and Hike

We were surrounded by RV campers but it worked out just fine. The weather now was very hot; almost 90°.

### The Southern Highlander

These plant-combination ideas will help you construct a container garden full of heat-resistant plants that will thrive even on triple-digit days. Jimmy Dean makes a scene in the holiest of holies at the bottom of the hang.

### Southern Highlander

Two Hikers Try Not to Repeat History in the Tennessee Wilderness Legend has it that sometime prior to 1925, when fire engulfed a large portion of what is presently the Citico section of the Cherokee National Forest, a hunter named Ebenezer Jeffrey disappeared while chasing his dogs. Well, Kelsie was itching to do her first bikepacking journey and I wanted to spend a little more time on this trail. To spend 21 days alone in the wilderness multiple times per year means you are in harmony with it.

### The southern highlander and his homeland : Campbell, John Charles, 1867

I definitely took the next year out. We finally found the Sausage and his group at Rhododendron Gap.

### Southern Highlander, 1920 October, Volume 13, Issue 3

Lest anyone forget what he does for a living, Neil had to paint it on the side of his helmet. Kephart's cabin was located along Little Fork, a tributary of Sugar Fork, the latter in turn being a tributary of Haw Gap Branch. We camped along the Potomac when she came pedaling in and it was a very hot day.

This is a shot from Look Rock on Friday afternoon. It rained significantly, so that proved a wise decision.

### **Our Southern Highlanders**

It was a good omen, we would encounter many. It all looks the same after a minute or two. Offering luxury homes, newly built and custom homes and the purchase and sale of existing homes in our community and across the city.
