An Introduction to the Study of English and American Literature Chapter One An Introduction to the Study of English and American Literature Literary studies

First published in 1980, The Anatomy of Literary Studies provides students of English Literature with a clearer understanding of the significance and scope of the subject and a comprehensive background to its study.

Philosophical Meta

Many Edwardian novelists were similarly eager to explore the shortcomings of English social life. The answer lies in recognizing that current environmental problems are largely of our own making.

Philosophical Meta

The series editor is a renowned professor of German studies in the United States who penned one of the foundational texts for understanding what interdisciplinary German cultural studies can be. The aesthetic theories of philosophers from ancient philosophy through the 18th and 19th centuries are important influences on current literary study.

und The Anatomy of a Literary Journal

By delving into the theoretical bases of practical criticism, the journal reexamines the relations between past works and present critical and theoretical needs. Nor was he alone in this, even if he was alone in the brilliance of his comedy.
