1.1.32 Office of the Chief Procurement Officer

The institution must also update the risk assessment, as necessary, to account for system changes before they are implemented, or new products or services before they are offered.

State of NJ

If it does, the institution must adopt appropriate encryption measures that protect information in transit, in storage, or both.

Chief Information Officer > Cyber Workforce > DoDCW

Penalty amounts are subject to change.

The Fed

For example, a financial institution should also evaluate the physical controls put into place, such as the security of customer information in cabinets and vaults.
