Book Review: Global Pentecostalism: The New Face of Christian Social Engagement

. To understand this rapidly growing phenomenon, Donald E. He wanted to write about the churches around the world that were involved in social justice work that was having a huge impact on their communities.

Global Pentecostalism: The New Face of Christian Social Engagement

. The authors provide an excellent introduction to this important subject. The authors' conclusion is that Pentecostalism supports a healthy and empowering lifestyle, in which a passion for God drives out negative earthly passions.

Global Pentecostalism by Donald E. Miller, Tetsunao Yamamori

This scholarly but easy-to-read global study of Pentecostal churches and their social engagement may reverse—or at least balance out—that predisposed opinion and mental image. . Secularization theory, which argues that secularization inevitably follows modernization, the authors feel their research has falsified.

Global Pentecostalism: The New Face of Christian Social Engagement

He wanted to write about the churches around the world that were involved in social justice work that was having a huge impact on their communities.

Global Pentecostalism: The New Face of Christian Social Engagement, Includes DVD on JSTOR

However, I wish they had talked a bit more about Pentecostals in the developed world, if only by way of contrast.

Global Pentecostalism: The New Face of Christian Social Engagement, Includes DVD on JSTOR

Linda Kevorkian, for example, was a wealthy woman in her fifties when she heard God call her to build an orphanage for AIDS babies in Bangkok 112-4.

Global Pentecostalism by Donald E. Miller, Tetsunao Yamamori

The South has all the external trappings of modernity, certainly: cell phones, computers, factories, and skyscrapers, for example.

Miller, Tetsunao Yamamori Format: Paperback Number of Pages: 275 Vendor: University of California Press Publication Date: 2007 Dimensions: 9. The empirical research is unprecedented, and the volume will stand alone in the marketplace. But more recently, even though the infection rate has dropped substantially in Uganda, many families have become saturated with orphans they have already adopted.
