This book is a valuable source for injured workers and their families. Monster can help you put your best foot forward.

5 Common Bad Hires and How to Prevent Them

What you shouldn't expect The workers' compensation system was setup to provide a no-fault system for workers to obtain medical treatment and wage loss benefits for on-the-job injuries. Out of the 55, only two were willing to consider treating the injured worker. Everything Mr Gurvey stated is on point from the injured worker not being given the MPN or not given the passcode to access, and then navigating these MPN's is so difficult.

Avoiding the Cracks : A Guide to the Workers' Compensation System by Anne Tramposh (1991, Hardcover) for sale online

Gurvey presented this obstacle for injured workers perfectly. You will want the doctor to evaluate your condition. Your employer and their workers' comp insurance company try to find cracks in your story or situation — any avenue to avoid paying your benefits in full.
