right marry who we want to, and to start a family. Once found guilty of a crime we cannot later be given a heavier sentence. Contributors: Claire Rydell Arcenas Lindsay M.

### What is the European Convention on Human Rights?

Here, leading scholars of the early republic examine principles from European thought and culture that were key to establishing the conceptual language and institutional parameters for the American executive office. Article 17 — prohibition of abuse of rights Nothing in the ECHR allows for any state, group or individual to destroy the rights and freedoms that the convention protects.
