## Only Transnational Politics Can Break Europe's Deadlock

Like in Italy, the Indian community in Spain is male dominated and mainly concentrated in the working age group of 15—49 years. The fourth type, diaspora activities, is a subset of homeland-directed transnational activities for groups that do not have a homeland.

## Transnationalism as a Research Paradigm and Its Relevance for Integration

Interest in the transnational involvement of immigrants has grown rapidly since 1994, when Bash, Glick Schiller, and Szanton Blanc published their pioneering book *Nations Unbound*. But, as power in Europe is diffuse and horizontal, it is a winding path.

### **Transnational Networks in Regional Integration**

These positions can have different implications for the easiness with which immigrants can obtain the citizenship status of a new residence country. Baptised Sikh males are confused with Muslims and owing to this confusion sometimes, they receive harsh treatment from hosts.

### **Transnational Networks in Regional Integration**

Without common language we fail to communicate with local people. Scholars have further categorized transnational activities by distinguishing between various types of transnationalism Koopmans et al. In it, the authors stress the various forms of contact that a substantial group of migrants maintain with their country of origin.
