Volsunga saga

So good joyance had they there together, and each was leal to other; and their sport was in the arraying of their weapons, and the shafting of their arrows, and the flying of their falcons.

the story of the volsungs

Now on a day he saw where two weasels went and how that one bit the other in the throat, and then ran straightway into the thicket, and took up a leaf and laid it on the wound, and thereon his fellow sprang up quite and clean whole; so Sigmund went out and saw a raven flying with a blade of that same herb to him; so he took it and drew it over Sinfjotli's hurt, and he straightway sprang up as whole as though he had never been hurt. But they caught him, and turned a knife against him, and he yelled and screamed or ever he felt the point thereof.

The Saga of the Volsungs: Summary

The chief who had led a band of kinsmen and followers to the new country, taken possession of land, and shared it among them, became their head-ruler and priest at home, speaker and president of their Thing, and their representative in any dealings with neighbouring chiefs and their clients.

Völsunga saga : the story of the Volsungs and Niblungs, with certain songs from the Elder Edda : Sparling, H. Halliday (Henry Halliday) : Free Download, Borrow, and Streaming : Internet Archive

But of their speech together has this been sung: I have hear tell In ancient tales How a may there came To Morna-land, Because no man On mould abiding For Heidrik's daughter Might win healing. The Vikings considered murder as one of the biggest crimes.

William Morris Archive

Now falls Atli to thinking of where may be gotten that plenteous gold which Sigurd had owned, but King Gunnar and his brethren were lords thereof now. Now the men fell thick, and far before all others was the fighting of those brethren, and the battle endured a long while unto midday; Gunnar and Hogni went right through the folk of Atli, and so tells the tale that all the mead ran red with blood; the sons of Hogni withal set on

stoutly.

The Story of the Volsungs (Volsunga Saga); with Excerpts from the Poetic Edda by Anonymous Translated by Magnuss William, Paperback

He took his brother Hogni into his confidence, but he too was bound by the oath and would not harm Sigurd. She mixed their blood with the wine that was served to Atli, and roasted their hearts for Atli's feast.
