Notes from the Underground is a short novel. If there's no God and no life beyond the grave, doesn't that mean that men will be allowed to do whatever they want? He is a good man who attempts to live in a corrupt society, and it is uncertain whether he succeeds or not, since he leaves the pages of the novel with the world about him worse than when he entered. I'm rather sick of this essay, as evidenced by the fact that I couldn't be bothered to proofread it or to give it a proper conclusion.

5 Western writers influenced by Fyodor Dostoevsky

The women sometimes confused the clarity of the theme of this novel.

Fyodor Dostoevsky

The novel is centered on a psychological effect of one crime. The chief censor was, of course, the tsar. He studies Holbein's grotesque 'The Body of the Dead Christ in the Tomb' with a patient, detailed eye that at once appears to capture the whole.

dostoevsky fans on my fliest? well, there might be one or two....: 5fivefifteen15 — LiveJournal

People are gold medal standard haters : I hate you more than anything and anyone in the world! Despite such direct evidence, in his 2000 article Cortesi asserts: Dostoevsky never wrote it! At one point, however, Dostoevsky believed he had only moments to live, and he was never to forget the sensations and feelings of that experience.
