## O'Connor & Garofalo, Documenting Latin America, Volume 1

Among the impacts of this project for the University will be the provision of new content, conceptual ideas and interpretations for my classes.

## Indian, Nation : the Contradictions of Making Ecuador, 1830

A recent examination of the post-Shining Path period is Kimberly Susan Theidon, Intimate Enemies: Violence and Reconciliation in Peru Philadelphia: University of Pennsylvania Press, 2013. O'Connor explores gender and Indian-state relations by focusing on three pivotal points in Ecuadorian history: the debate over the 1857 abolition of the Indian-only tribute tax; nation-building during the conservative regime of Gabriel García Moreno in office 1861—1865; 1869—1875 ; and liberal-era secular social reforms, 1895 to 1925.
