Hawaiki, Ancestral Polynesia: An Essay in Historical Anthropology by Roger C. Green, Patrick Vinton Kirch (Paperback, 2001) for sale online

Of great significance for Oceanic studies, Kirch and Green's book will be essential reading for any anthropologist, prehistorian, linguist, or cultural historian concerned with the theory and method of longterm history. In this innovative book, Kirch and Green explicitly develop the theoretical underpinnings, as well as the particular methods, for such a historical anthropology. Drawing upon and integrating the approaches of archaeology, comparative ethnography, and historical linguistics, they advance a phylogenetic model for cultural diversification, and apply a triangulation method for historical reconstruction.

Hawaiki, Ancestral Polynesia: An Essay in Historical Anthropology by Patrick Vinton Kirch

Drawing upon and integrating the approaches of archaeology, comparative ethnography, and historical linguistics, they advance a phylogenetic model for cultural diversification, and apply a triangulation method for historical reconstruction. They illustrate their approach through meticulous application to the history of the Polynesian cultures, and for the first time reconstruct in extensive detail the Ancestral Polynesian culture that flourished in the Polynesian homeland - Hawaiki - some 2,500 years ago.

Hawaiki, Ancestral Polynesia: An Essay in Historical Anthropology by Roger C. Green, Patrick Vinton Kirch (Paperback, 2001) for sale online

Having said that it probably while it may be among the last books one reads directly on this topic it probably should not be the first and it does leave some fascinating questions unanswered such as why they dropped the pottery traditions of the Lapita.

Hawaiki, Ancestral Polynesia: An Essay in Historical Anthropology by Patrick Vinton Kirch

They illustrate their approach through meticulous application to the history of the Polynesian cultures, and for the first time reconstruct in extensive

detail the Ancestral Polynesian culture that flourished in the Polynesian homeland - Hawaiki - some 2,500 years ago. Of great significance for Oceanic studies, Kirch and Green's book will be essential reading for any anthropologist, prehistorian, linguist, or cultural historian concerned with the theory and method of longterm history.

Hawaiki, Ancestral Polynesia: An Essay in Historical Anthropology by Patrick Vinton Kirch

The CAA provides professional development opportunities and information about field school opportunities and promotes the development and adherence to professional standards and guidelines for the practice of archaeology. Through an analysis of the history of Polynesia In this innovative book, Kirch and Green develop the theory and method of an anthropological approach to long-term history.
