Full text of sketches of the higher educational institutions, and also of benevolent and reformatory institutions of the state of

Is not force then the name of that which drives the ship? By the third act, provision was made for the establishment of a College, and Halls for Preparatory Education, the power of conferring degrees in the Arts and Sciences was committed to the President and Professors of Kenyon College, and the power of conferring degrees in Theology given to the President and Professors of the Theological Seminary. . This overtaxing of his powers, combined with long continued camp-fever, brought about his death in

It is well that we should use every instrumentality to fan these little sparks. John Seymour 9780789003775 0789003775 , Robert J. His answer was, that he would never con- sent to be connected with an institution from which any person of requisite qualifications was excluded on grounds of color, sex, physical deformity, or anything for which such person was not morally responsible.

They indicate at least, what the most philosophical and radical are inclined to accept as true, that the relative places of the functions of Thought and Love are not to be determined by any exclusive claim on the side of either.

#### **Browse subject: Bookkeeping**

That branch which treats of the English language. Perhaps, the failure has arisen from the error of applying the system to schools where there was too large a proportion of very young scholars — unfit, therefore, to govern themselves by any
