. The Presidium meeting in Conference at the OAU, Addis Ababa, Ethiopia in below.

## Read the most important speech Nelson Mandela ever gave

At that stage I was a member of the African National Congress Youth League, and was one of a group which moved for the expulsion of communists from the ANC. Careful instructions were given to organizers and members to avoid any recourse to violence.

## Speeches

. . The new leadership attracted the support of workers, , and a growing radical sector of the African student population.

**On behalf of Africa : speeches made by the President of the People's Republic of the Congo while President of the Organization of African Unity, July 1986**

. Another of the allegations made by the State is that the aims and objects of the ANC and the Communist Party are the same.

### **President Obama's Final United Nations Speech: Transcript**

I joined the ANC in 1944, and in my younger days I held the view that the policy of admitting communists to the ANC, and the close co-operation which existed at times on specific issues between the ANC and the Communist Party, would lead to a watering down of the concept of African Nationalism. Together, we mobilized some 50,000 additional troops for U.
