It is hoped that these omissions can be rectified at some point in the near future, as the full, linear notebook transcriptions are needed for future editorial work on these documents. It was considered the most important part of the pyramid and was made of special stone or even gold. Het belooft weer een mooie middag te worden waarvoor u van harte uitgenodigd wordt! It may also give the Wake I say this with some diffidence a purpose and a message.

On more than one occasion Joyce told me that certain incidents in his writings 'A Painful Case' in Dubliners was one had proved to be premonitions of incidents that subsequently took place. This largely covert deployment of Aristophanic material, all of it thoroughly irreverent and richly comic, is evidence for Joyce's wide and creative range of allusion. I'd suggest the following sequence: Portrait which follows SD's first 20 years , Ulysses along with a couple of auxilliary texts , Ellmann's massive biography, Stephen Hero a revealing long fragment of the lost early draft of Portrait , and Dubliners early short stories.
