Ch.1

The duo split up to search for Sera and end up having to fight their way through the many guards that patrol the building. Since the property is so small, the Kamurocho redevelopment project can go through without the Tojo Clan acquiring it, as long as its owner doesn't oppose it. Sera attacks Majima, who fights back in self-defense and ultimately subdues the Nikkyo patriarch.

Kekkon Shiyo yo

Oda tells Kiryu that Tachibana needs emergency dialysis and that they need to get him to their safe house immediately. Elsewhere, a furious Majima heads for the Dojima Family's offices, but is interrupted by Sagawa and some of his crew. Nishiki refuses and instead attacks the other Family men, beating them back with Kiryu's help.

Satoru Kaneda

When he was engaged to Sagiri, this side of him also reveals a more sadistic nature where he expressed the joy of slowly changing Sagiri into his ideal girl. At Dojima's penthouse, Shibusawa presents Makimura to Patriarch Dojima at a meeting where Lao Gui, Kuze and Awano are also in attendance.

Yo

Moments after Majima departs, a dejected Sagawa is confronted by Omi Alliance hitmen and promptly executed. In exchange, Shimano promises to restore Majima back into his Family, and states that he wouldn't kill Makimura.

Yo

The Omi patriarch hands Majima the business card Sera intended to give him, revealing that the Tachibana employee who transported Makimura to Tokyo was Kazuma Kiryu. However, Sagawa finds him as he's trying to leave Sotenbori and forces him to take him with him when he goes

after Sera. This makes him also very selfish, if not inconsiderate, towards those he gains interests in.

Yakuza 0

Oda overhears her, pulls a gun on them both, and takes Makimura hostage.

Shakuhito Yoinozaka
