It follows that mind and personality are necessarily extinguished at death, and that there exists no deeper transpersonal or spiritual reality of any sort.

**The Hidden Teaching Beyond Yoga: The Path to Self**

A little Brunton goes a long way. What is the object of existence? Now, whether the learned man knows this but seems to ignore it is what I cannot confirm or deny- although I think the otherwise is true. In print since the 1940s, Brunton's works are considered to be among the most comprehensive, clear, and practical guides on the path to enlightenment.
