## An introduction to Latin textual emendation based on the text of Plautus. (1896 edition)

Textual emenda tion too often misses the mark through want of know ledge of what may be called the rules of the game. Even an untrained student may at any moment by an ingenious conjecture remove a difficulty, and thereby open the way to the resolution of a score of similar problems. In the portions in ordinary print examples, when available to me, have been taken by preference from more familiar authors—Virgil, Horace, and the like.

## An introduction to Latin textual emendation based on the text of Plautus. (1896 edition)

We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This historic book may have numerous typos and missing text.

## W. M. Lindsay, An Introduction to Latin Textual Emendation, Preface, paragraph 1

. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. After hesitating for some time between Virgil and Plautus, I finally decided to take my lists from Plautus, for reasons that are stated in the introductory pages.

An Introduction to Latin Textual Emendation; Based on the Text of Plautus: Lindsay, Wallace Martin: 9781230223582: metrics.learnindialearn.in: Books

Excerpt from An Introduction to Latin Textual Emendation: Based on the Text of Plautus These chapters, expanded from a recent course of Oxford lectures, will, I hope, do something to supply what I believe to be a real want. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. This text was converted to electronic form by professional data entry and has been proofread to a high level of accuracy.

## **W. M. Lindsay, An Introduction to Latin Textual Emendation, Preface, paragraph 1**

These lists of examples, along with other details which may be omitted by less advanced students, I have put in small type. It is still full of difficulties, in spite of the labours of a large number of scholars for a large number of years, though' each month--I might almost say each week--sees a difficulty removed; and now that we have at last a full collation 1 of all the important MSS. But for Latin I am not acquainted with any except Hagen's.
