We do not use these technologies to capture your individual email address or any personally identifying information about you. More than four million travel jobs have been lost this year, and this package includes long-needed provisions to help employers keep their lights on. Written agreement offers signed after the expiration date due to COVID-19 must be electronically submitted, by the insurance provider, to RMA through the ROE system no later than 15 business days after the producer signed the written agreement offer.

### USDA Announces Details of Direct Assistance to Farmers through the Coronavirus Food Assistance Program

The money would help offset losses farmers have shouldered from lost crops and livestock because they were unable to process them due to a lack of workers or demand. Virtual Service USDA will continue using Microsoft Teams to enable producers to meet with USDA Service Center staff virtually.
