Fassbinder

Characters enter and exit into unknown off-screen space, referring to girlfriends and pasts in a world that may or may not have some tangential relationship to our own. Univ of South Carolina Press.

Love is colder than death : the life and times of Rainer Werner Fassbinder : Katz, Robert, 1933

The degree of stylisation grows in proportion with the artificiality of the theme. You know you have 23 million viewers, and you try to find common denominators for an audience that large, to anchor the political background. Die Filme 1966 - 1982.

Regarding R.W. Fassbinder: Letter to a Young Cinephile

U ključnom razdoblju detinjstva za formiranje lčnosti, osim gubitka oca, Rajner često uz sebe nije imao ni majku, koja je obolevala od , posledice ratnih stresova, i često je bila u , a dečak se morao brinuti sam za sebe.

Watch The Front Row

And yet within me, together with my own reality, it becomes a new reality. I like the title of the book, but to be honest at the end of the book, I just thought the film director was a bit of a twat.

Rainer Werner Fassbinder

With his aestheticized yet cartoonish, documentary-based yet artificial staging of action, he offers bitter irony and a style of comedy so dry as to be parched. We reckoned that such and such a section was a sequence for the actress and had to be uninterrupted so that she could move through it.

A Journey Through the Eclipse Series: Rainer Werner Fassbinder's Love is Colder than Death

University of South Carolina Press. Chaos as Usual: Conversations About Rainer Werner Fassbinder. The story of a lottery winner and how he loses his money.

Quiet Cool: Kamikaze '89 (1982)

His mother was a translator who, among other works, created the German versions of several books by. In fact, I prefer to think of them as lieder.
