## Fathers, Families, and the State in France, 1914

Childers examines how these policies were implemented, what they reveal about the development of the welfare state in France, and how they help explain the importance of Vichy in twentieth-century French history. Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag. Much of the historiography on gender has focused on representations of women and their relationship to the nation as mothers and reproducers of future generations.

## Fathers, Families, and the State in France, 1914–1945 by Kristen Stromberg Childers

. Besides interesting modern French historians, the book should be useful for comparative historians of welfare, of war and peace, and of the reality and representation of men's and women's lives under fascist, authoritarian, or totalitarian regimes. Browse reports on a wide variety of disciplines and organise your bibliography correctly.

**metrics.learnindialearn.in: Fathers, Families, and the State in France, 1914–1945 (9780801441226): Childers, Kristen Stromberg: Books**

Efforts to promote the pere de famille reached a climax under the Vichy regime, when instigators of the National Revolution struggled to reconcile strong paternal symbols with the realities of family life in occupied France. .

## Nazi Family Policy, 1933

Childers examines how these policies were implemented, what they reveal about the development of the welfare state in France, and how they help explain the importance of Vichy in twentieth-century French history. The debate on men as gendered beings, Childers demonstrates, is central to the political, social, and cultural history of France in the modern age.

## Reports: 'Conditions sociales

In controversies over voting rights, public assistance, labor policy and social class, the father appeared as a key figure in the articulation of visions for France's social and political future, and a critical concern for architects of the expanding welfare state. Childers argues that concern for the

family and for the status of fathers in modern France was not merely a response to falling birthrates and German aggression, but was fundamental to the very notion of citizenship and political participation.

### **Fathers, Families, and the State in France, 1914**

Drawing on new material that has only recently become available from the archives of the Vichy regime, Kristen Stromberg Childers analyzes the ways fathers were promoted as saviors of the nation after France's humiliating defeat by the Germans in June 1940.

#### **families and the state in France, 1914**

Questions about motherhood, familialism and the State have received considerable attention from historians of twentieth-century France.

### **Fathers, Families and the State in France, 1914**

The father figure became a focus as participants from all classes and across the political spectrum debated what was wrong with the French family and what policies were needed to remedy the problem. A peer-reviewed press, Berghahn is committed to the highest academic standards; its publishing program is widely recognized for the quality both of its lists and of the production of its books and journals.
