## South Asia: Regional Integration and Greater Economic Freedom Will Boost Growth and Prosperity

The literature identifies the greater outward orientation in Southeast Asia as one of the main causes of the difference in growth performance with Sub Saharan Africa. Copper output was estimated at 20,414 metric tons metal content in 2003, up from 18,364 metric tons in 2002.

## Southeast Asia Program

Linked to export promotion and encouraging inward investment, the rapid rate of industrialisation was one of the cornerstones of the strong performance of Southeast Asia. While the idea of the swidden still resonates as a symbol of Dayak identity, an idea strongly held by some traditional leaders and local NGOs Petebang and Bider , sufficient land for large swidden fields no longer exists.

## Economic Development Of Southwest And Southeast Asia With...

Recreation The tropical weather of the Philippines provides almost year-round opportunities for touring and outdoor recreational activities.

## Southeast Asia Program

The government of Myanmar maintains the policy of reconciliation with ethnic groups since 1988 and has achieved successes in 40 cases by early 2011. Marcos went into exile in Hawaii.

## Economic Development Of Southwest And Southeast Asia With...

This affects the capacity of swidden cultivators to grow their own food as less land is available for agriculture, and also has effects on internal differentiation and the livelihoods possible from tree plantations as farmers able to expand or consolidate land holdings under trees may acquire even more capital to expand their landholdings further. Also, although the process of globalisation in the world economy that has been progressing for many decades, centuries even, it could be argued first that the process is becoming qualitatively different. By the 14th century, Arab traders made contact with the southern islands and introduced to the local populace.

## **Project: Asia and Africa in the Global Economy**

Improving ease of doing business is a worthy policy priority that is receiving growing attention as part of the Make in India initiative.
