The Colombian Mule (Paperback)

Together, the three men will wade deep into a criminal world of few scruples, testing their own strict and specific moral code along the way. Apparently there's some sort of honor among thieves -- and every other sort of criminal here.

His books are well plotted and fast moving. You have to remove the battery and card if you want to disable it. Indian Journal of Medical Sciences.

Maria Full of Grace (2004)

He used to literally sing the blues -- in a group called the Old Red Alligators hence the nickname -- but he spent a long seven years in prison and now does so only figuratively. It's the only time she grins in the entire movie and it makes her seem to glow joyously.

The Colombian Mule

Probably the weakest of Carlotto's books I've read so far. He had gone there to drop off the usual consignment of coke and as always had hung around as long as possible.
