This is part two of my series on the top ten discoveries in biblical archaeology.

**A lexicographical study of the Greek inscriptions : Searles, Helen McGaffey, 1856**

While out of print, new libraries and a new generation of researchers in the field of classical studies have come into existence. Greek historical chronology has as one of its main sources a very famous text which has survived on an inscribed marble stele known to us as Marmor Parium

**The study of Greek inscriptions : Woodhead, A. G. (Arthur Geoffrey) : Free Download, Borrow, and Streaming : Internet Archive**

We often see a character with an Illyrian name, although he has Greek origins or the contrary. Furthermore, immediately after leaving Cyprus, Paul and Barnabas make their way to Pisidian Antioch.

**The study of Greek inscriptions in Albania**

These edicts were commonly in Prakrit language and Bramhi script.
