## The Deposition (Michelangelo)

Michelangelo had an argument with Torrigiano, who punched him on the nose so that it was badly broken and spoilt his appearance for the rest of his life. Furthermore Michelangelo was primarily interested in how concrete figures could be encompassed within an outside shell. A called Jacopo Galli bought it for his garden.

## Unknown Michelangelo found at the Met?

He had terrible fashion sense, and a habit of making people angry Michelangelo never married and had no children, but is rumored to have had love affairs with men and women alike. As he carries the stone loosely in his right hand and the sling lies over his left shoulder, David expresses in his quiet stance the superiority of inner strength over brute force. He had a particularly fraught relationship with the combative Pope Julius II, and once spent three years working on a marble façade for Leo X, only for the Pope to abruptly cancel the project.

## MICHELANGELO'S DAVID

In 1873 it was moved indoors to the Galleria dell'Accademia in Florence and a replica was erected at the original site. Learn more in the next section of this article. More typical of Michelangelo's subject matter than the Battle of Lapiths and Centaurs are the variety of Madonnas he sculpted.

## 25 Interesting And Bizarre Facts About The Creation Of Adam Painting
