Abstract sommario : This paper dealt with the subject of sustainable agricultural development in Sudan, whereby it mentioned the importance and status of the agricultural sector in Sudan to the citizens and the whole world. This paper concluded that Sudan has many geographical components that can make it a pioneer in the field of sustainable agricultural development, due to its potentialities to produce various agricultural crops that contribute to the achievement of food security for it and for the world as a whole. Generally, the objectives of this research are to know the importance of recreational activities by language games of Arabic.

Democracy and reform, 1815

Learning has three important elements, namely input, process and output. Perubahan tersebut terjadi karena dipengaruhi oleh beberapa faktor, antara lain karena faktor alat bicara penutur dan pengaruh penggunaan bahasa Indonesia dan bahasa daerah. The Constitution has erected no such single tribunal, knowing that to whatever hands confided, with the corruptions of time and party, its members would become despots.
