Narcissistic Abuse 101

L Lori Tan • 1 day ago

I'm so sorry that you had to endure this. I believe every word because my mother was a narcissist who I couldn't get away from. Even after death she set up her will to hurt and control me. I also married a narcissist and had 22 years of emotional abuse. Only because of God am I alive, like you. He has turned us into warriors and enabled us to help the other women who are in the snare of the Fowler (psalm 91). I will probably be healing the rest of my life but that's ok, I have a healer and despite the war I am whole. ❤️❤️❤️❤️❤️
