meantime was transferred to a separate company for the production of mercerized cotton.

## World Fibre Production

Passenger services were withdrawn from the Leekbrook—Waterhouses line in 1935, a year after the closure of the light railway, and in 1943 the section between Cauldon and Waterhouses was closed. Paper Presented: A new and simple technology for the conversion of poultry manure to animal protein by composting for small holder farms in Nigeria. Presidential Appointee, Administrator, Cooperative Development Authority, August 2000 to January 2005.

## Office of Research and Graduate Affairs: Emeritus Professors of the University

The study is started by evaluating the mechanical properties of rubberized concrete such as compressive strength, flexural strength and splitting tensile strength. Considered the most comprehensive renewable energy law in Southeast Asia, it aims to work towards: A green pricing option to promote consumer choice of power supply; Allocation of a minimum amount of generation capacity from renewable energy; Promotion of the use of renewable energy hybrid systems and applications; Conduct of sustained information dissemination on renewable energy development; and the Provision of financial and fiscal incentives to renewable energy developers and implementors.

## Use of bitumen encapsulated cigarette butts in stone mastic asphalt

Resource Speaker, The Challenge of Cooperative Banking, Luzon Federation of Cooperative Banks, 8-10 February 2001, Crown Peak Garden Hotel, Subic Freeport Zone.

### **Natural fibres: An opportunity for job creation and improving livelihoods**

This has triggered researchers towards this emerging technology.

### **Handbook of Natural Fibres**

The current emphasis on joint ventures should set an example by applying standards of transparency, accountability and participation. The main objective of the GNFF when it was established was to promote exploiting natural fibres on a larger scale and to their full potential.

### **Natural fiber Research Papers**

Presented at the OECD Workshop on Development Assistance and Technology Cooperation for Cleaner Industrial Production in Developing Countries, Hannover, Germany, 28 to 30 September 1994. Chenoweth, Aircraft flight control actuation system design vol. The younger John, who was appointed sheriff in 1854, died in 1862.
