### William Morris Hunt: Portraits from Photographs on JSTOR

As I remember, I could not find there a single picture of the sort I had come to see. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. I remember vividly the day I knocked on his studio door.

His body was discovered by his friend, New Hampshire poet. Officially entitled 'the Art Room', as I presently discovered, the place housed a comprehensive collection of books on painting, which were to be my delight for many years to come.

### William Morris Hunt

Pontiff and Prince the vellum record gives, But that is all. I found his comments very enlightening and I have ceased to regret the language barrier which prevented my learning more from him. His name was Gambadella, and, as a political refugee, he brought letters from distinguished philanthropists.

It was another case of the prophet being without honour in his own country. The atelier of old Jean Paul Laurens was also at Julian's and the celebrated name attracted me. I had never particularly liked the man when he came to criticize for Philip Hale and I knew next to nothing about him as a painter.

### Diversions: 2020

Hunt sent her children to the best schools the country afforded, but still was not content. Having been denied the opportunity to paint and draw by an overbearing father, Jane Leavitt Hunt resolved that her children would be given the chance to study the arts in the best academies—even if it meant moving to Europe to attend them. It is pleasant, everyone praises you.

### William Morris Hunt

The Boston philosopher and author studied with Hunt for a time, before turning away from painting to concentrate on his writing. Living New England artists: biographical sketches, reproductions of original drawings and paintings by each artist. .

### **Diversions**

The clique of the next street insisted that the colours should go on in stripes, which, as I now recollect, looked like little coloured worms crawling over the canvas. It broadened my outlook in many ways and it left vivid impressions of a way of life which very soon became almost as remote as that of the Ancien Régime itself. William Morris Hunt and his wife, the former Louisa Dumaresq Perkins, had five children.

### **Diversions: 2020**

I would like to get into my pictures of this region a little of the love I feel for those who made it. But it was not light enough, so I've made a third still lighter. I told Paxton how much I had hated to leave and also how reluctant I was to go back to Boston and the reconstituted Museum School.
