### Gyu

It is said that through cannibalism, a ghoul absorbs , and this increases the concentration of Rc cells within a ghoul's body. After consuming Eto's kakuja, his kakuja takes the form of a large arm with a mouth, and his mask forms a carapace covering on his entire face.

### Kapolei

If the concentration becomes high enough, it may trigger a mutation and lead to the formation of a new kagune. While in this form, Noro is capable of withstanding a high quantity of firepower.

### Gyu

Additionally, it can merge with , creating a kakuja quinque he can use in battle. Authentic Sushi Fresh and Healthy Sushi and Rolls Rich and Flavorful... Sushi that just MELTS in your mouth... We have traditional sushi which is called nigiri and also have very creative rolls. The sounds around you are of parties and laughter - the PERFECT choice for first dates, families, and catching up with friends.

### Gyu

Yoshimura's kakuja kagune also forms a mask similar to the One-Eyed Owl's with minor differences in the eye-hole size and line curves.

### Menu

Her kakuja consists of large spikes protruding from her back, four large protrusions similar to Yoshimura's, and large bird-like feet. This increased capability in close-range helps her counteract her kagune's weakness. Unlike most kakujas, she maintains her consciousness.

### Kapolei

She can shoot projectiles large enough to overwhelm most seasoned investigators with ease and her physical strength is augmented to the point she is able to knock out an Arata Proto-equipped Yukitori Shinohara and Iwao Kuroiwa through brute force alone.

## **Kapolei**

Its usage significantly degraded his mental state, causing him to ramble nonsense and engage in self-harm. Our friendly staff aspires to lead guests through the dining experience with helpful suggestions. Developing two hammer like appendages and numerous eyes forming over his upper face.
