## Law, Policy, and International Justice: Essays in Honour of Maxwell Cohen on JSTOR

Susan Moller Okin with respondents, ed. An obligation is, in these cases, said to be made by the mere consent of the parties; because there is no necessity for any writing, nor even for the presence of the parties; nor is it requisite that anything should be given to make the contract binding, but the mere consent of those between whom the transaction is carried on suffices.

Darrell Moellendorf 2011 , for example, offers the following jointly sufficient criteria: The version of membership dependence that I affirm is based upon what I term the principle of associational justice. Yet, if we adopt this latter interpretation, then it is unclear that this view is truly different from
