About German Expressionism

Dix, who earned the Iron Cross as a soldier during the first world war, was a favourite target of these proto-Degenerate Art shows; his glorious grotesques , they claimed, were insufficiently patriotic. Presumably largely because of this, the development of German art had virtually ceased by

about 1550, but in the preceding decades German artists had been very fertile in developing alternative subjects to replace the gap in their order books. It can be said it began in Germany with , or France with , or the U.
