Social Media and Local Governments: Theory and Practice

With this goal in view, the African children are taught French, which they learn easily, and they are steeped in French traditions.

Theory and Practice of Government Accounting in Nigeria (by E. O. Omolehinwa and J. K. Naiyeju)

Recent figures indicate that the share of the federal government in the proceeds of the Federation Account has declined from about 75 percent in 1980 to just over 50 percent in 1994.

24 Nigeria : Fiscal Federalism in Theory and Practice:

For decentralized institutions to succeed, it is important to loosen the grip of central planning over subnational governments.

The Theory and Practice of Local Governance and Economic Development

Recognizing municipal taxable capacity would also help the state level monitor utilization of local revenue bases, thereby offering corrective action on a timely basis. Accordingly, they have been ineffective as a stabilization tool.

Participatory Democracy in Theory and Practice: A Case Study of Local Government in South Africa

In the Gold Coast, the Ashanti, a tribe on the northern margin of the dense forest, had like some of those similarly placed in Nigeria a powerful political organization prior to the coming of the British. Spillovers usually occur because the benefits of a locally provided good or service itself spill beyond the local jurisdiction to benefit those not contributing to the costs air and water pollution control, locally educated students who relocate and because nonresidents enjoy the services provided parks; cultural, recreational, and transportation facilities; state universities; state welfare and health care systems. The first British experiment in indirect rule in West Africa took place in Northern Nigeria, and it came about not through any premeditated design but as the necessary result of circumstances.

14 Theory and Practice of Intergovernmental Transfers : Reforming China's Public Finances:

Consolidation of these tasks in a single agency would improve effectiveness of these audits and inspections. At the local level, however, expenditure management is controlled by financial regulations formulated by the relevant state. It is the logical foundation for indirect rule.

The Theory and Practice of Local Governance and Economic Development

Revenue sharing has been a key factor in the development of fiscal federalism in Nigeria. In many countries, the property tax is a state responsibility with proceeds shared with local governments and sometimes with the central government.
