A heart mapping pioneer, Georgia has spent decades guiding students into more meaningful writing experiences by using heart maps to explore what we all hold inside: feelings, passions, vulnerabilities, and wonderings. After students have shared, they fold their maps and put them in their writing folders.

Awakening the Heart explores how to cultivate the poet in every elementary and middle school student through well-drawn examples, detailed exercises, creative projects, and down-to-earth classroom teachings. In doing so, students move away from writing about superficial topics, and travel to a deeper place inside themselves. It brims with passionate reasons to write poetry and should resonate with all poets, budding and seasoned.
