## Introduction: Strategic Bargaining and Economic Adjustment in the Third World

Corporations went global and international economic institutions like the World Bank, International Monetary Fund IMF , and World Trade Organization WTO developed far greater powers, especially over poorer countries. And the poorest countries were played off against the aspiring NICs. Such an approach also provides a natural linkage to workers in the North.

## Introduction: Strategic Bargaining and Economic Adjustment in the Third World

This study examines the case of the Brazilian debt rescheduling agreement of 1988 as a two-level game in which each of the two main negotiators--the Brazilian state and the international bank advisory committee--must satisfy its own constituents while trying to negotiate an international agreement. For more on their work visit.

## Introduction: Strategic Bargaining and Economic Adjustment in the Third World

He has held fellowships from the Brookings Institution, Rockefeller Foundation, Council on Foreign Relations, East-West Center, Woodrow Wilson International Center for Scholars, and was a Japan Foundation Abe Fellow. The Political Science Quarterly is the oldest and most widely

read political science journal in the country. On the one hand, state capabilities are considered weak and ineffective in combating political instability, social disunity, and scarcity of economic resources.
