## May we recommend..some Ethics?

Isobel Contento, the Mary Swartz Rose Professor of Nutrition Education and author of the first-ever nutrition education textbook, has focused the field on overcoming motivational and environmental barriers to healthful eating.

## May We Recommend...Coaching Real Leaders

The Girl from the Savoy by Hazel Gaynor is a great read for anyone who needs something to fill that period-drama gap on a Sunday night, ever since Downton Abbey finished. A stark and compelling story, beautifully told. Lord Jesus, our Redeemer, you willingly gave yourself up to death, so that all people might be saved and pass from death into a new life.

## Northlight Theatre

An old-fashioned frying pan will do, plus another pot or pan on top to weigh down the stuffed bread. Beans are loaded with lean protein, iron, folate, potassium, zinc, and soluble fiber and are low in saturated fat, cholesterol, and sodium.

## May We Recommend... Watch, Read & Listen with the Forest Society

Deliver his/her soul, O Lord. It would be such a loss to the world.

## We Recommend

Part autobiography, part essay, it explores life and art in the way that only a poet can. It was guaranteed, where words could fail you. Make sure to hydrate more after your procedure by drinking water, herbal teas, and vegetable or fruit juice.
